GIVE YOUR LOVED ONE THE GIFT OF AN INTIMATE SERENADE

Imagine a candle-lit dinner for two. The wine is poured and the smell of the food is enticing. You ask your partner to have a seat at the table, “eyes closed”, a little something special — a wonderful surprise.

The delightful sound of guitar chords strumming sounds just like a live performer in the next room, and then you say, “Surprise!”

The music *is* live, Daniel steps into the room to perform a brief and intimate concert of two or three original love songs in your home.

The songs finish. Daniel quietly lets himself out. This simple acoustic performance was just for the two of you. A warm unique experience to touch your hearts.

For \$50 you can give your loved one the gift of an intimate serenade! Perfect for Valentines Day, anniversaries, birthdays or any special occasion.
